PLANGAMY PROFILE

Introduction

Started in 2019 and formerly known as Buoyancy Education, **Plangamy** is an education company focused on helping academic institutions, healthcare organizations, corporate and individuals learn foreign languages. We are reaching out to explore potential collaboration in enhancing the quality of education that is mutually beneficial. We have been partnering with many reputed academic institutions to offer a customized, scientifically designed language learning curriculum. Through our partnership, we aim to add value to the learning objectives of students as well as the institution by creating additional revenue streams along with enhanced brand image. We have been conducting successful webinars to create a convenient language learning space for budding generations and emerging leaders. We are glad to offer you these highly recommended and globally compatible language courses for remarkably competitive prices.

Different Thinking

Every language learner needs a great teacher to help them master a new language. This is why Plangamy has a worldclass didactic method at its core. Through the live interactive classes, our globe-trotted and experienced faculty uses the strongest academic learning practices and tailor-made, time-tested strategies to teach languages and infuse them with socio-cultural awareness. They successfully curated a rich experiential course curriculum.

The result is a powerful curriculum set in the real world setting, designed and verified by native language experts to ensure the most effective way.

How our curriculum helps students?

Helps them elevate career opportunities by giving an edge to their portfolio

Opens up possibilities across international academic institutions

Helps boost brain power and improves academic performance

Enhances creative thinking and cognitive skills

Provides deeper cultural understanding for a more profound social development

Amplifies thinking ability through new dimension of learning

What will you find different in our classroom?

With operations in over 20 countries in APAC, NA, Middle East and European regions, Plangamy is fundamentally reshaping the language learning experience through a combination of scientifically designed curriculum and certified training expertise. Our curriculum has been customized for every age group and profession to create a unique learning experience that makes it interesting, engaging and fun.

What we do

We prepare our learners to appear for Embassy Sanctioned Language Proficiency Exams. Our language training curriculum is consistent with the CEFR levels.

CEFR (Common European Framework of Reference for Languages) is an internationally recognized standard that describes your learning progress in detail. The framework helps you to explain your level from Beginner (A1) to Advanced (C2).

Common European Framework Guided Learning Hours

CEFR Level	Guided Learning Hours
A1: Beginner	90-100
A2: Elementary	180-200
B1: Intermediate	350-400
B2: Upper-Intermediate	500-600
C1: Advanced	700-800
C2: Proficient	1000-1200

Positive: Communication, Professionalism, Quality, Value
My daughter is learning Spanish from Buoyancy from Vishakha Johari, she is a good & very patient teacher. Took lot of Spanish demo classes, I was not getting good institute, finally got Buoyancy. My daughter is really enjoying Spanish. Thanks Guys, keep it up 👍

Response from the owner 6 months ago
Thank you Shilpa. Recommendations are welcome! Hope your daughter is now speaking in spanish everywhere. We wish her all the best.

Buoyancy education instution is really good place with friendly teachers. Faculty and management are really good. Its worth for money if one sends his/her child here. Really appreciating!

Response from the owner 9 months ago
Glad you like it Visheshtha! Thank you.

Positive: Communication, Professionalism, Quality
A sophisticated and professional institute. As per my kid, it consists of teachers who offer crystal clear concepts & not huddle students to just complete the course. Apart from the teachers, the management of the institute also seems to ... More

Response from the owner a year ago
Thanks Himaksh!
